

# Pack 28 Leaders Meeting

## Agenda 1/8/2009

### I. Welcome to the Call - Thank you for taking time to join the call.

Role call:

### II. Thank you to the Webelos II parents, the den leaders who incorporated the table decorations into their den plan, and everyone who helped out with last month's Pack Meeting!!

### III. Calendar

- I. The Pack Calendar is available on the website. It is clearest (easiest to read) if it is downloaded from the link on the calendar page.
- II. I await any den schedules that can be posted on the website. A posted den schedule will give your parents another source to check to verify activities and plans. You can e-mail your schedules to me at [bob@pack28.com](mailto:bob@pack28.com) or Mr. Adams at [steve@pack28.com](mailto:steve@pack28.com).

### IV. Training and Leader Resources

**Program Helps** be sure to use this valuable resource.

**Youth Protection Training** This training is available online. Sign in using your BSA member number so that you receive credit for participating in the training. Let me know if you need your BSA number.

**[www.scouting.org](http://www.scouting.org) and [www.boyscouttrail.com](http://www.boyscouttrail.com)** are two excellent resource internet sites.

### V. Pack Leadership positions still available - Pack Secretary, Advancement, Cubmaster positions are available (advancement and Cubmaster are moving up to the troop with their sons this spring).

VI. I would like to have each den finish their den flag and decide on their den yell by the Pack Meeting this month. Webelos should consider a mascot with which to identify themselves. This will make the yell and the design of the den flag a little more straight forward. This mascot will likely stay with your boys and become their Patrol Emblem when they cross over into the Troop.

VII. Herbergers has again invited us to sell the sale coupon books. To make it easier, they have invited us to sell right in the store. It would only take a scout and their parent at a location. We could have one or more locations in a shift. Available dates and shifts are We had discussed the days that would be good to come in and sell. The dates are: Jan 21, 24, 31. Feb 4, 6, 7, 13,14,24,25,27.
